

One neatly typed form for every student that wants to change project details is required.

Circle one of the change types below

TYPE	CATEGORIES	ACTION Penalties applied to FYDP-1 final score
A1	Minor modification of the project title signed by the same supervisor	No penalty
A2	Major changes in the project scope signed by the same supervisor	5% penalty imposed on all group members
B	supervisor change	10% penalty imposed on all group members/ No penalty
C	Individual member(s) leave the group to join another group	10% penalty for the student(s) that switch project groups
D	Insufficient members remain after students switch groups	No special considerations awarded and project scope remains the same as originally declared
E	Special circumstances not listed above	Case forwarded to the department head for further processing.

Student Name:

Registration Number:

Current semester

Student's signature

Reason for change.....

Attached the application

For office use - Do not write below this line

This document is appended to the project file to which the student is switching to and the penalty is imposed on the final FYDP marks for that student.
